Good Morning All -

I have only heard from Michael and Paul regarding a possible phone call this week. I am prepared to discuss the June 16 meeting later today at 4 PM, if that works for most everybody on the list. To aid in the discussion, I have attached a list of discussion items for the Monday, June 16 meeting. I think if we can tackle most of these issues on Monday when we get together. We may not be able to come up with definitive answers for all of them but we can at least hopefully have a game plan on how to address them.

Let me know if 4 PM today, Wednesday, June 11 works. If not, we'll schedule it for tomorrow (Thursday) or Friday and hold it without Paul being available.

Thanks.

Bruce

To all -

After I sent the email, I realize I had forgotten to mention that tomorrow (Wednesday) would be difficult for me. The only time that works on Wednesday would be later - likely 4 PM EDT or after. Thursday is much better for me as well as Friday. Let's see if tomorrow (Wednesday) at 4 PM can work. Others?

All,
 A call tomorrow would be useful. We should discuss June 16th meeting (I am planning to bring Jeff). Tomorrow, we could go through the list Bruce is going to generate and either address the issues or plan in -person discussions on the subjects.
 I am free all day tomorrow for a discussion.

Paul, Michael, Tom and Marc -

We had talked about a conference call later this week to discuss the logistics of the June 16 meeting. I think there are several items that we need to discuss - some to close the loop on discussions we had on June 2 as well as some new issues. Any time work better than others to have such a call?

Regardless if we have a call, I'll prepare a list of issues/concerns that I think we need to discuss on Monday, June 16 and distribute.

Let me know your thoughts, please.

 Marc and Bruce,

What is the ownership path that Kalamazoo County has decided for abandoned properties? Do abandoned properties go to the state? Or to the county?

Thanks

Good Morning All -

Good meeting yesterday. I know it was a bit long and maybe it didn't seem to be as productive as other meetings, but we covered a great deal of important topics and ideas.

I've made an attempt to capture what we discussed regarding legal concerns and issues yesterday. Let me know what you think. Some of the issues I didn't word very well so any and all help is appreciated.

We need to set up a date and time for a conference call next week as well. Any suggestions?

Thanks.

Bruce
